In order to make better use of our *time and treasure*, a decision has been made to cut back on Sunday morning refreshments. Coffee, tea and juice will still be served each and every Sunday morning between services.
 Donuts will be served on ONLY the last Sunday of each month.
 This small change will save Wesley church \$1,500 - \$2,200 per year. In light of our current financial situation, all ministries of our church are doing what they can to cut expenses. This is just another way that Wesley church is striving to be better stewards of the resources with which we are entrusted.
