

What's Cooking in Wesley's Kitchen?

Anyone who has prepared a meal knows all the work and time it takes to see it to completion. You shop for the food, cook the food, set the table, serve the food, and clean up the mess!

The same goes for Wesley's kitchen.

At this time, we find ourselves in need of help. The following information will give you an idea of what it takes to put on a dinner for the various functions that happen at Wesley. Please prayerfully consider if you could be the answer to any of the listed needs.

Contact Cindy Tinsley at 898-3948 to volunteer your services. Thank you.
